

# In-person Acquisitions and Cataloging Networking Group meeting

When: Thursday May 7, 2026

Where: Warrenville Public Library | 28W751 Stafford Pl, Warrenville, IL 60555

## Parking

It can sometimes be a challenge for GPS to navigate to the library. Warrenville Public Library is located just west of Warrenville City Hall along the Prairie Path, parallel to Butterfield Road (about ½ mile east of Rt. 59).

The preferred parking is the city parking lot across from Warrenville City Hall and about a 1 minute walk west of the library's Stafford Place entrance.

There is also a second parking option. The lower-level parking lot, which can be accessed off Manning Avenue and Mount Street. You can enter through the lower-level entrance and take the stairs or elevator to the main level.

Finally, there is also parking along Stafford Place, but library staff kindly ask that you use those spaces only if the parking lots are full.
